Travis McKinley's life has drifted sideways. His job, his marriage, even his children all feel disconnected and distant. Has he really accomplished nothing of consequence in his life? One Christmas Day, Travis plays a round of golf and finds himself for the first time in the zone--playing like a pro. In astonishingly short order, Travis is catapulted into the PGA Senior Open at Pebble Beach, where he advances to the final round. And while his wife, his children, and a live television audience watch, a miracle takes place that changes Travis, and his family, forever.
