《2010上海最佳餐厅(英文版)》内容简介： Nowadays many people frequent Noble House Restaurant for its crab dishes, for at Noble House they are assured of an unparalleled dining experience. The restaurant adopts scientific methods to process fresh water products and combined with secret preparation recipes, succeeds to crack the nut for preserving the freshness and nutrition of crab meat. And the experienced chefs at Noble House develop over one hundred crab dishes to ensure that the food connoisseurs can enjoy safe, healthy, delicious and nutritious crab meals all year round.
