"DK Readers" will help your child learn to read and encourage a life-long love of reading whilst finding out about fish. Encourage your child to read. They'll meet bright blue starfish crawling on the sea-bed, floating jelly-fish and furry crabs climbing out of coral and discover all about the treasures of the ocean. "DK Readers" are part of a five-level, highly pictorial reading scheme, with lively illustrations and engaging stories to encourage reading. Pre-Level 1 have simple sentences, limited vocabulary, word repetition, picture word strips and large type - read them together with children who are just beginning to learn and with early or reluctant readers. Over 100 "DK Readers" are present in the series.
