But how few of the visions are realized. Faust sums up the whole of life in the twice-repeated word versagen renounce and history tells a similar story. Terah died in Haran; Abraham obtained but a grave in the land promised him and his children; Jacob cheated in marriage bitterly disappointed in his children died in exile leaving his descendants to become slaves in the land of Egypt; and Moses their heroic deliverer died in the mountains of Moab in sight of the land which he was forbidden to enter.
