He has a son? Although he's never met the boy who arrives on his doorstep, undercover DEA agent Alex McCade can't deny the truth. The four-year-old is his child, and--like father, like son--little Cody has landed himself in the middle of a dangerous situation. Shelby Jacobson, Cody's aunt, tells Alex that Cody is the only one who can identify his mother's killer. So now the killer is after them both. With his newfound family in danger, Alex will do anything to keep Cody--and Cody's beautiful aunt--safely by his side.
