A "NEW YORK TIMES" BESTSELLER "An outstanding historical series . . . deeply empathetic." ("The New York Times Book Review") Christmas Eve, 1931. On the way to see a client, Maisie Dobbs witnesses a man commit suicide on a busy London street. The following day, the Prime Minister's office receives a letter threatening a massive loss of life if certain demands are not met--and the writer mentions Maisie by name. Tapped by Scotland Yard's elite Special Branch to be a special adviser on the case, Maisie is soon involved in a race against time to find a man who proves he has the knowledge and will to inflict destruction on thousands of innocent people. In "Among the Mad," Jacqueline Winspear combines a heart-stopping story with a rich evocation of a fascinating period to create her most compelling and satisfying novel yet.
