There's not a whole lot happening in Gary, Indiana. That is, until nationally renowned relationship expert Lance Montgomery bursts onto the scene. Twice divorced, Montgomery is now on a mission to perfect the art of being single. His tantalizing book *The Playa's Handbook*, is causing quite a stir. His rules include:

Never give a woman the key to your apartment.

Playas have sex” ; they don't make love.”

Don't be afraid not to commit, no matter how hot the sex is.

A woman can't use you if you use her first.

One night, while watching a game and drinking beer, three friends, Marcus Lowery, Samuel Gunn, and Phillip McKenna, all admit to having bought Montgomery's book. Recent divorcees, Phillip and Sam are looking to unleash their hidden playa. And after being a widower for a year, Marcus is ready to cautiously ease back into the dating scene. So they decide to put the rules to the test. . .and end up going on the wildest ride of their lives.
