If you know what you want, I'll get it for you. If you don't know what you want, I'll do it

for you” - Todd Rundgren.

Few record producers possess the musical facility to back up such a bold promise, but in over forty-plus years behind the glass, Todd Rundgren has willed himself into becoming a not only a rock guitar virtuoso, an accomplished lead vocalist and vocal arranger and visionary keyboard player, not to mention a serviceable drummer. But arguably, Rundgren's greatest instrument of all is the recording studio itself. *A Wizard A True Star: Todd Rundgren In The Studio* by Paul Myers is a fascinating and authoritative trip through the land of flickering red lights inhabited by a studio wizard - and true star - who has rarely enjoyed a proper victory lap along the many trails that he has blazed. Researched and written with the participation and cooperation of Rundgren himself, Myers also draws upon exclusive new interviews with Robbie Robertson, Patti Smith, XTC, Sparks, Daryl Hall and John Oates, Meat Loaf, Jim Steinman, Cheap Trick, Grand Funk, The Psychedelic Furs, The Tubes, Steve Hillage, all members of Rundgren's legendary band, Utopia, and many other key Rundgren associates.
