She has everything but the husband, so Dina does what any red-blooded modern woman would do - she mail orders a gorgeous stranger to call her own. Hard-bodied and over six feet tall, Dubois knows just how to use his hands and mouth to keep Dina moaning for more...If sex is a game, Chaz and Elena are master players. Nothing is taboo, they can live out any fantasy they desire, anytime, anywhere - as long as they do it with each other...Topaz is ready for some one-on-one action. The problem is, how to choose between her three husbands? There's only one way to narrow it down: put each man's talents to the test, one scorching lovemaking session at a time...
