In 1980s Bombay, a highly regarded voice teacher and his affluent sixteen-year-old student enter into a relationship that will have unexpected and lasting consequences in their lives, and the lives of their families. With exquisitely sensuous detail, quiet humor, and unsentimental poignancy, Amit Chaudhuri paints a luminous portrait of the spiritual and emotional force behind a revered Indian tradition; of two fundamentally different but intricately intertwined families; and of a society choosing between the old and the new.
