著者:Dennis Lehane

出版者:Harper

出版时间:2010-8-1

装帧:Mass Market Paperback

isbn:9780061998843

The first in Lehane's acclaimed series with Boston detectives Patrick Kenzie and Angie Gennaro is a remarkable debut that is at once a pulsating crime thriller and a mirror of the world, one in which the worst human horrors are found closest to home, and the most vicious obscenities are committed in the name of love.
