This is the most respected and authoritative college textbook available on human sexuality. Written in a direct, non-judgmental manner, this edition of OUR SEXUALITY has been thoroughly and carefully updated to reflect the most current research findings. It is the first college text to bring cutting-edge and in-depth emphasis on the

impact of politics on sexuality. Crooks and Baur keep you interested with the most exciting, emerging research and coverage, and focus on strengthening healthy communication among partners. The authors also have revised their overall coverage on maintaining a responsible and healthy sexual relationship, with greater attention to diversity and inclusiveness.
