isbn:9780061236846

Beginning with the first stamps released in 1847, The Postal Service Guide to U.S. Stamps covers over 4,000 stamps issued up to the present, and provides colour illustrations of every stamp and detailed listings that include Scott catalogue numbers,

used and unused prices, dates of issues, and quantities issued when known. Also featured in this year's philatelist's bible is a rundown of the current year's commemorative stamp program; advice on starting your own collection (from assessing the condition of your stamps to displaying your collection), and a complete resources section.
