A Best Book Of The Year Time • St. Louis Post-Dispatch • Kansas City Star San Francisco Chronicle • NPR • Seattle Times A shy manifesto, an impractical handbook, the true story of a fabulist, an entire life in parts and pieces, Manhood for Amateurs is the first sustained work of personal writing from Pulitzer Prize-winning author Michael Chabon. In these insightful, provocative, slyly interlinked essays, one of our most brilliant and humane writers addresses with his characteristic warmth and lyric wit the all-important question: What does it mean to be a man today?
