When identical twin brothers Logan and Noah Miller's homeless father died alone in a jail cell, they vowed, come hell or high water, that their film, Touching Home , would be made as a dedication to their love for him. Either You're in or You're in the Way is the amazing story of how -- without a dime to their name nor a single meaningful contact in Hollywood -- they managed to write, produce, direct, and act in a feature film alongside four-time Academy Award nominated actor Ed Harris and fellow nominees Brad Dourif and Robert Forster. Either You're in or You're in the Way is a modern-day Horatio Alger on steroids -- a fast-paced thrill ride of heartbreak and redemption that will both captivate and inspire.
