When a little girl pretends she's a real princess, her imagination soars and her bedtime routine is transformed into a majestic affair. While practicing curtsies on her way to bed, she gets the royal treatment: chocolate cream Éclairs, glass slippers, ladies-in-waiting, a tiara—even a bubble bath with a special fluffy towel to dry her toes. Being a princess is so much fun! But at bedtime, there's one thing a little girl—or a princess—always gets: a kiss before saying goodnight.
