It's the year 2021. Medicine has become corporatized, and proprietary treatments are closely guarded secrets. The mysterious Aesculapian Healers offer complete cures of most illnesses with a money-back guarantee, but the outrageous fees have given them a reputation as medical pirates. When recent medical school graduate Wesley Anderson is approached to become a Healer, he reluctantly signs on, hoping to obtain a cure for his father's heart disease and a solution to his family's money troubles. But he soon discovers that there are dark secrets behind the brilliant cures. As Aesculapian practices become increasingly disturbing, a conflicted Wesley-torn between his conscience and the seduction of power-joins a group of dissidents. The atmosphere quickly becomes deadly as they uncover a plan involving human experimentation, and realize that the lives of millions hang in the balance.
