Praise for The Fire Lord's Lover:

"As darkly imaginative as Tolkien, as richly romantic as Heyer, Kennedy carves a new genre in romantic fiction."

- Erin Quinn, author of Haunting Warrior If his powers are discovered, his father will destroy him... In a magical land ruled by ruthless Elven lords, the Fire Lord's son Dominic Raikes plays a deadly game to conceal his growing might from his malevolent father-until his arranged bride awakens in him passions he thought he had buried forever... Unless his fiancée kills him first... Lady Cassandra has been raised in outward purity and innocence, while secretly being trained as an assassin. Her mission is to bring down the Elven Lord and his champion son. But when she gets to court she discovers that nothing is what it seems, least of all the man she married... Then Dominic and Cassandra together uncover an unspeakable evil, one that threatens the destruction of the magical realm they would give their souls to save... Praise for Enchanting the Lady:

"Simply delightful...imaginative, historically vigorous, and ripe for further adventures."

- Publishers Weekly

"Will cast its own spell over readers with its fabulously imaginative setting and charmingly original characters."

- Chicago Tribune

"This captivating tale combines the excitement and edgy danger of a thriller with the treat of a romantic romp. Kennedy is going places."

- Romantic Times (20100528)
