Meet the cats who acted as a pacemaker when a woman's heart suddenly stopped beating in the night; Paprika, a gentle giant with deep orange stripes who saved a little Hungarian girl from Russian soldiers; Lucky, the kitten who survived against the odds and went on to help deaf children as a therapy cat; Princess the courageous cat who

helped a lady make friends in an unpleasant and intimidating work environment; and, many others. The extent of a cat's love can be utterly astonishing as these stories of bravery, loyalty and kindness demonstrate. These fascinating creatures are as compassionate as they are curious and will go to extraordinary lengths to nurture and protect their human friends. "Angel Cats" will win a special place in your heart.
