Brad and Angelina - what's fact, and what's just gossip? When Brad Pitt and Jennifer Aniston split in 2005, the world was shocked. What happened to Hollywood's Golden couple? And what did it have to do with Angelina Jolie, who was soon sharing Brad's bed? In this page-turning biography, celebrity expert Chas Newkey-Burden sorts rumour from reality to tell the true story of Brad and Angelina's amazing romance. He answers the questions we've all been asking: What goes on out of the paparazzi's sights? What does Angelina have that Jen doesn't? Is there any truth behind the rumours of a split? And what's next for the couple and their many children? "Brad and Angelina" is the explosive inside story of the ultimate celebrity power couple.
