DISCLAIMER: Lemony Snicket is not responsible for side effects that may result from listening to this audio, including, but not limited to weeping, moaning and tearing out one's hair in despair. Dear Listener, The word "carnivorous," which appears in the title of this book, means "meat-eating," and once you have read such a bloodthirsty word, there is no reason to read any further. This carnivorous volume contains such a distressing story that consuming any of its contents would be far more

stomach-turning than even the most imbalanced meal. It would be best if I didn't mention any of the unnerving ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank, and Chabo the Wolf Baby. To avoid causing discomfort, your time might be better filled with something more palatable, such as eating your vegetables, or feeding them to someone else. With all due respect,

Lemony Snicket Performed by Tim Curry
