Inhale deeply of the book you hold in your hands. Can you smell the fear? Can you taste of the horror that might come lurking to your doorstep in the dead of night? Some of the authors in Chilling Tales of Terror and the Supernatural will chill you with gentle horror while others might come at you with a bloodied axe. There is something here for every fan of horror and the supernatural. As editor, it's my hope that you'll devour these short trips into the darkest and most twisted portions of our mind with delight and that you will have many memorable nightmares to sleep by.
