## One Starry Night

Reid Barclay doesn't have time for Christmas, not with trouble brewing at the Crown Seven Ranch. He's got prize thoroughbreds to protect and a long-ago wrong that he wants to make right. But the beautiful cook who's taken over the ranch kitchen is a welcome distraction, even if Ellie Jo Cade burns everything from gingerbread to roast beef. Her sweet face and womanly figure are pure temptation...

Cornhusk angels...bright berry garlands...spun-sugar snow--everything about Christmas holds fond memories for Ellie Jo. She's doing her best to make peace with an ornery wood-burning stove and make the old ranch house truly festive. All she wants is to believe in Reid...and the only-at-Christmas magic that makes hearts glow...
