Thousands of bikers have descended on the Miracle Strip in Panama City for one of America's premiere biker rallies, but a storm is blowing in. Amid the bikes and beer and bikinis, crimes of unspeakable brutality are being committed-one of which touches too close to home for former reporter Merrick McKnight. Between crashes of thunder, a killer strikes, and a young woman's life hangs in the balance. Michael Lister is the author of the Blood series featuring prison chaplain/detective John Jordan, and a second series featuring Jimmy "Soldier" Riley, a PI in Panama City during Word War II.
