Following a treacherous rescue mission high in the freezing Alps, James Bond is preparing for life back at Eton. But James is under surveillance; his every move is being watched. He alone holds the clue to a sinister plot that will bring bloodshed and carnage to his school--and his country.

Forced to flee from Eton to Austria, James must leave behind everything he knows, with only a beautiful--and dangerous--girl by his side. Soon he is trapped in a deadly war of secrets and lies, as a nightmare reunion with a bitter enemy plunges him once more into the face of death. Life for James Bond will never be the same again.
