Fifth in the acclaimed series set in the enchantingly offbeat town of Lumby.

Pam and Mark Walker are celebrating their 25th wedding anniversary with a week-long family reunion and a ceremony renewing their vows. But when Mark's brother-in-law starts broadcasting his radio talk show from Montis Inn, his disparaging remarks about small-town life cause immediate rifts that only widen when he sides with a real estate developer who wants to turn Lumby into an asphalt Aspen. As the controversy pits family against family, and neighbor against neighbor, will the spirit that defines Lumby triumph once again?
