Freshman year is always a turbulent time: adjusting to dorm life, taking exams and talking to girls. The stress of moving to a brand new city will take its toll on anyone's emotions and mental health. But for Nicky, the first year of college will be more trying than any he has ever known. When he meets the girl next door, Debbie, their communication becomes inexorably tied to his fate and mental health. He begins to hear Debbie speaking to him telepathically, and instructing him in his faith. Struggling against psychosis and battling forces he doesn't understand, he must undergo a sublime and tragic downward spiral that will challenge his spirituality and force him to confront his demons. The world around him is changing and as his life comes to its crux he must confront and record his ultimate test. Join author Edward Dunn in taking The Final Exam.
