The attacks strike like lightning, a murder blitz targeting America's most ultra-secret organization, the Army's clandestine assassination arm known as the Dog Team. Without warning, Dog Team operatives are being systematically slaughtered, decimating the republic's last, best hope against those who would destroy our freedom. Surviving the initial onslaught are two of the Team's master assassins, Major Joe Kilroy and Captain Steve Ireland. Now, this supreme warrior duo gathers the remnants of the unit to form the Dog Team's Death Squad to unleash their counter strike: complete annihilation of a shadowy global cartel owing allegiance to no flag, with a private army of international mercenaries. The darkest and deadliest secret war that ever rocked a nation is about to begin.
