In Chicago, in our day, he is known as Matthew Maule—but that is merely the latest in a long string of names he has carried. John Southerland, like the rest of the Southerland family, calls him Uncle Matthew. After all, he’s an Old Friend of the Family and he has risked his un-life more than once to protect the Southerlands. But with Matthew rendered comatose by a fiendish plot from beyond time, the Southerlands must rise to his defense—and battle five hundred years worth of Dracula’s enemies.
