In the midst of a war with an enigmatic alien host - a war with no end in sight - Second Lieutenant Rei Fukai carries out his missions in the skies over the strange planet nicknamed "Faery." Attached to Tactical Combat and Surveillance Unit 3 of the Special Air Force, his duty is to gather information on the enemy and bring it back - no matter the cost. His only constant companion in this lonely task is his fighter plane, the sentient FFR-31 Super Sylph, call sign: YUKIKAZE.

评论

To paraphrase: Perhaps what defines humanity and separates us from other beings is not our ability to reason, but rather our ability to understand the sorrow of others through drawing from our own experiences. Thrilling and intelligently written story (once you get over the edgelord bits).
