Jesus Outside the Box is a re-released, re-titled version of the author's previous book The Magician's Tale. It a short book of twelve incredible stories written from the perspective of some of the lesser known characters of the New Testament. Each story offers an exciting and radical new portrait of the one we call The Christ. The author's intention was to present a picture of Jesus, without the 2,000 of Christian doctrine and dogma that have put him some great ecclesiastical box (and suffocated him the process). The Jesus of these tales has broken free from that box of Churchianity and will help readers do the same. This Jesus is human yet magical, gentle yet dangerous, distrustful of religion, yet unconditionally loving. He is exciting beyond our dreams. You may just discover that you'd thrown the divine baby out with the holy water.
