Enlisted by the Japan Buddhist Federation to catalog a number of ancient shrines dotted across Nepal, archaeologist Annja Creed is honored to help. Political violence has prompted the Federation to protect holy sites from desecration and vandalism, and Annja is their last hope to properly conserve these sites. Where there's vandalism, there's plundering, and local police soon become suspicious of Annja's presence. But she is more concerned about the antiques smugglers and Maoist guerrillas trying to kill her. When she must trek high up in the Himalayas to protect a sacred golden Buddha statue from falling into the hands of her pursuers, she's told that the place is cursed--and guarded by demons. And Annja has no choice but to face her demons....
