"Get your client to plead guilty, or else!" This is the last thing an ex-cop with a brand new law license expects to hear when they hand him the case of a lifetime on a silver platter. But Jimmy's shining star obviously has some strings attached. When a prominent state senator's attractive assistant is murdered, the cops arrest a Mexican gardener. The DA's case is slam-dunk. It's all wrapped up nice and tight. Maybe a little too tight. Something's not right in Downey! It's 1972 and the Mob is heavy into politics. From the track at Del Mar to the neon strip of Las Vegas and back to Beverly Hills, this novice criminal lawyer finds himself climbing into the pockets of judges and fending off the threats of a garbage mogul. How much did the assistant really know about the senator's powerful backers? Enough get her killed?
