All Raf Dolg wanted was revenge. Marina Adal--part witch, part elf princess--had betrayed him once, condemning the handsome hellhound to an elfin dungeon. But once the lithe and seductive Marina is in his hands, Raf realizes that the long-haired beauty is also a victim of betrayal--a pawn in the plans of a cruel elf lord and of the destiny tying her to the throne of Alfheim. Together they face the treachery that nearly tore them apart as well as their own divided souls. Bound by their love, the two outcasts must band together if their passion is to stand a chance....
