“A knockout read. For anyone who loves mysteries, animals, or just plain great writing, this is a book to savor.” —Laurien Berenson, author of Doggie Day Care
Murder on Curiosity Killed the Cat Sitter In this fifth installment of the wildly popular Dixie Hemingway mystery series, a mysterious young girl is missing. Lieutenant Guidry, the hunky homicide detective with whom Dixie has an on-again, off-again relationship, is trying to find the girl because she may be a material witness to a murder. Finally Dixie must go it alone to confront criminals who will stop at nothing to get what they want.
