In a dark and seedy underground of burned-out rock stars and angels- turned- vampires, a revolutionary neuroscientist and a fallen angel must put medicine against mythology in an attempt to erase their tortured pasts...but at what price?

Olivia, vampire and fallen angel of desire, is hopeless...and damned. Since the fall from Eden, she has hungered for love, but fed only on desire. Dominic O'Shaughnessy is a neuroscientist plagued by impossible visions. When his research and her despair collide at L'Otel Mathillide-a subterranean hell of beauty, demons, and dreams-rationalist and angel unite in a clash of desire and damnation that threatens to destroy them both.

In this fractures Hotel of the Damned, Olivia and Dominic discover the only force consistent in their opposing realities is the deep, erotic gravity between them. Bound to each other finally in a knot of interwoven freedoms, Dominic and Olivia-the vision-touched scientist and the earth-bound angel, reborn and undead-encounter the mystery of love and find it is both fall...and flight.
