Jeff Guthrie and his family are on an infinite journey having no beginning and no end. The spirit of each family member has been created and organized from intelligence, a substance of the universe. Their spirits have always existed and will continue as life everlasting. Throughout its existence, this family has experienced astonishing adventures including witnessing the creation, the war in heaven, and many additional pre-earth life events. The family must go through a probationary period on earth where they become mortal and acquire a flesh and blood body. They must face the trials and tribulations of an earthly life, devastating wars, as well as providing service to others in need and live by every word of God. In the spirit world the family struggles for perfection, attends the Council of Adam-ondi-Ahman, and undergoes their own resurrections. They are then lifted up to the pillars of heaven and later descend to the surface of the reconfigured Edenic earth initiating the beginning of the millennium. Here, they will find millennial joy and happiness for a thousand years. As the sons and daughters of God; everything becomes possible. We today must keep our eyes singled to the glory of God and strive to reach the goals He has set for us.
