A clandestine scheme to assassinate Fidel Castro spirals into paranoia, betrayal, and deceit in this dazzling thriller.

Former CIA agent Carolina Perez has spent five years working deep undercover with a singular goal: to take down Castro and free Cuba from his troubled presence. Across the Straits in Havana, Carlos Gutierrez is Castro’s minister of health and a member of his inner circle. Carlos has also been convinced to overthrow el Comandante , at great risk to himself and those he loves. But the indestructible dictator is surrounded by more than just the D-7 secret police: A Byzantine network of spies, double agents, and informants means nobody is who they seem. A thrill ride through Miami and Havana, Fidel’s Last Days sizzles with tension until the final word.
