Business Communication, 7e, International Edition prepares students for business communication by employing a hands-on approach--connecting topics, examples, and exercises to the modern workplace. The text provides ample opportunity for students to practice their oral and written skills, and includes strategies for using email, voicemail, the Internet, and other innovations in communication technology. The streamlined Seventh Edition has been completely updated to reflect current trends and practices in the world of business. The revised textbook package now features a

web-based version of the Urban Systems Case Study Simulation with an updated, student-friendly BusCom online writing tutorial.
