Test your general knowledge with 80 two-in-one cryptic and coffee time crosswords from Britain’s bestselling newspaper, The Sun . There are two sets of clues for each crossword, one set cryptic and the other a little easier, but the answers for both are the same. Challenge yourself with the cryptic clues, or if you are in a hurry, you can just use the simpler coffee time clues to help you complete the puzzle. Clearly laid out with both sets of clues adjacent to the grid across a double-page spread, this puzzle collection has the solutions available at the back of the book.
