Samurai is for anyone who wants to enjoy extra-challenging extended-length Su Dokus. If you regularly relish number puzzles but they are solved within minutes, you might prefer the extra exertion involved for Samurai. With its larger and more complex

grid, Samurai Su Doku will have you glued to your chair mentally toiling for hours. Samurai Su Doku is a five grid interlinked Su Doku. As with traditional Su Doku puzzles, every column, every row and every 3x3 box contains the digits 1 to 9. Where the puzzles overlap, the rows and columns do not go beyond their usual 9x9 length but the interlocking boxes give you more clues -- and more complexity. Therefore, it is better to tackle the grid as a whole. 100 new puzzles, split between 4 levels of difficulty, with a few very easy puzzles at the start and a few super difficult puzzles at the end.
