著者:S. Jack Odell

出版者:Wadsworth Publishing Co Inc

出版时间:1999-12-2

装帧:Paperback

isbn:9780534576165

This brief text assists students in understanding Russell's philosophy and thinking so that they can more fully engage in useful, intelligent class dialogue and improve their understanding of course content. Part of the "Wadsworth Philosophers Series," (which will eventually consist of approximately 100 titles, each focusing on a single "thinker"

from ancient times to the present), ON RUSSELL is written by a philosopher deeply versed in the philosophy of this key thinker. Like other books in the series, this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in the reading and to discuss the material in class and on paper.
