From Europe's leading foreign-language dictionary publisher -- get the Collins Concise Spanish dictionary on your PC and Mac. No need for a CD-ROM: when you order Collins Spanish e-Dictionary, you get an easy to use Download Access Card with software licence keys. Scratch the card to reveal the keys, download the software straight from CollinsLanguage.com, and use the licence keys on your card to activate the software. With over 150,000 words and phrases, and more than 250,000 translations, Collins Spanish e-Dictionary software will suit students and international business professionals alike. Whether you're working on a term paper or quarterly report, you'll love the depth and versatility of this Collins e-Dictionary. Along with the Spanish Dictionary content, this software suggests entries if you misspell a word, performs

wildcard searches, conjugates verbs and spells out numerals (e.g. type '25' to see 'veinticinco'). Jump easily from one entry to the next and call up the software while you write or surf the Internet. Collins e-Dictionary software works with both Windows and Mac computers.
