isbn:9781841157870

In this affectionate yet true account, Norma Farnes looks at the whole of Spike Milligan's life from his childhood and extraordinary family in India, his ongoing battle with his restless mind, his numerous affairs and his heartening struggles with many varied causes. She gives a mass of wonderful anecdotes and revealing insights into Spike and his circle, including his often fraught but deep friendship with Peter Sellers. In Spike, Norma Farnes has written a moving portrait of her greatest friend.
