Baby stuff made simple Gurgle is a fresh, exciting new voice in pregnancy and parenting: upbeat, fully up-to-date and straightforward - perfect for the modern parent. Written by top parenting experts, and also featuring precious input from other like-minded mums about their own personal experiences, this is the book for modern mums and dads, giving you all the information you need from all the right people, and letting you choose what's best for you and your baby. From birth to age three it covers everything you need to know about the key issue of feeding your new baby -- from

breastfeeding in the early days to trouble-free weaning and how to cope with fussy toddlers. Including all the information from all the right people, it lets you choose what's best for you and your baby -- and have a stress-free time in the process. And there are plenty of tips and advice from other parents who have been there, and discovered for themselves what really works. Gurgle Feeding: Solved prepares you for the highs and lows and offers advice and support throughout. There's reassurance that you're not alone and it really does show that parenting is fun, when you know how.
