Two seemingly unrelated crimes - Two seemingly unrelated killers - And two mysteries waiting to be solved ... The murder of the Mayor of San Francisco's daughter sets the stage for this intriguing and spell-binding crime thriller. Two police detectives, Jack Paige and Casey Ford are assigned to catch a cold-blooded rapist and killer. In this gritty, realistic tale of homicide, unrelated mysteries of two murderers seem to come together and make little sense. What does a man rotting away behind the stench-enclosed walls of Angola Penitentiary have to do with an evil and cruel rapist and killer now on the run from California to Texas? What is the relationship to the killing of the Mayor's daughter? Blood Over Badge , an intense, taunt and brilliantly told crime thriller, takes readers on a realistic, gritty and real-world tour de force exploring the underbelly of police and detective work. It begs important questions about out justice and penal systems; explores the nature of gray areas of good, evil, immorality, love, loyalty and family promises. Readers will be taken into an intense story with many twists, turns and surprises - and be left wholly satisfied with an incredible and shocking ending well worth the read.
