Swimmer Mike Gauliet and coach Jessy Turner are back in this second book in the Personal Best series Mike is moving up in the elite ranks of the American swim team, despite his repetitive stress injuries. He's hiding his pain from Jessy, not wanting to give in to it or let his coach down, and by the time he gets treatment, it's almost too late. Jessy helps Mike recover, both in an out of bed, and their need for each other grows as quickly as Mike's career. They're scorching hot and ready to go to the top competitions when another injury forces Mike to the sidelines. Jessy thinks this one is no accident, and Mike has to work hard to recover the lost ground. Jessy takes Mike away from the hustle and bustle of the training center, living on the coast while the two of them struggle with adversity. Mike gets back into competition form and his success is also Jessy's. Can they keep everything together and keep their relationship from getting in the way of Mike's Personal Best? Sean Michael triumphs with another sexy, captivating read Look for book three of the Personal Best series to debut in 2008
