From her small, sunny hometown between the beautiful Carpathian Mountains and the blue Danube River, Elli Friedmann was taken-at a time when most girls are growing up, having boyfriends and embarking upon the adventure of life-and thrown into the murderous hell of Hitler's Final Solution. When Elli emerged from Auschwitz and Dachau just over a year later, she was fourteen. She looked like a sixty-year-old. This account of horrifyingly brutal inhumanity-and dogged survival - is Elli's true story.
