著者:John McCormick

出版者:Cengage Learning

出版时间:1980-1-1

装帧:Paperback

isbn:9780495568568

This updated edition gives all the latest information on international politics from

Africa to the Middle East to Latin America. Unlike most other texts, COMPARATIVE POLITICS IN TRANSITION, 6th Edition International Edition, focuses closely on the non-Western world. The book also explores the political influence of Islam with a new chapter on Iran. By taking a story-based approach, this edition provides an up-to-date and accurate understanding of international politics.
