Five stories, five women, five Champions of Terra Arena Station - An Archivist, kidnapped, sold and trained to fight. Kyra is given to another gladiator but will she let attraction take control? Deal with a Dhemon - A hunter, a dancer, and a singer. Now there is a price on her head and her only safety lies on the planet Dhema. Sam must win over a prudish General to find a new home. Avari Nyx - Wounded at the Arena station, Anna knew that her career was over. While recovering on Avari she discovers that the elder Tarun Bien is much more than he seems. Marks of Admar - Reading the past was her passion, linking Earth's past to Admar's future. Sarah finds security, trust and love with Demetrius, control her talents at the same time. Haldis Imperium - Amanda's freedom doesn't last as she is returned to the Emperor for a breeding contract. His stubborn refusal amuses rather than insults and she takes matters into her own hands. Before they were Champions - Meet the women before they left earth for the stars and the first few days of their orientation. A hardcopy Exclusive
